APPENDIX V.

[Vide answer to unstarred question No. 148 asked by Sri K. P. Gopalan at the meeting of the Legislative Assembly held on 7th August 1954, page 141 supra.]

The Health Survey and Development Committee had in the Chapter relating to " Organization and Administration " suggested the setting up of the following bodies:—

(*a*) A Central Statutory Board of Health.

(*b*) A Central Health Council of Experts

(*c*) A Provincial Board of Health.

(*d*) A Provincial Health Council of Experts.

(*e*) A District Health Board, which will assume the health functions of the local authorities in the district.

(*f*) A District Health Council of Experts.

(*g*) A Village Health Committee.

2. *Item* (*a*) *in paragraph* 1 *above.*—This Government agreed to the suggestion, provided the Board had no executive powers of interference in matters of policy.

3. *Item* (*b*) *in paragraph* 1 *above.*—This suggestion was agreed to.

[7th August 1954

4. *Item (c) in paragraph* 1 *above.*—In view of the provision in the Madras Public Health Act, 1939, for a Board of Public Health in this State, no action was taken on this suggestion.

5. *Item (d) in paragraph* 1 *above.*—This suggestion was not agreed to, in view of the fact that the Government had then the benefit of the advice of the two sub-committees of the Madras Medical and Public Health Conference.

6. *Items (e) to (g) in paragraph* 1 *above.*—These suggestions were not agreed to.

7. The Government of India were also informed that the general principles suggested by the Committee for recruitment, promotion, etc., for services were already being followed in this State in all essentials and that, though there was no case for a departure from any of these principles, the suggestions made by the Committee would be generally borne in mind.
